

19.01.2023.

2nd Student Conference "Zebrafish as an animal model"

Dear Promotors, Dear Students

We are pleased to invite the BSc and MSc Students working on zebrafish model, to present their projects during **on-line meeting on 13th of April 2023 (afternoon)**.

The abstract submission deadline is 8th of March 2023.

Abstract should be in English, max. 250 words (please see the template below).

E-mail address for abstract submission: ptz.student.conference@gmail.com

Each presentation should last max. 10 minutes.

One month before the meeting there will be an on-line workshop "**How to make a presentation and how to present it**". All participants will get individual support in preparation of presentation.

After the conference, all participants will receive a **certificate of participation**.

The abstract book will be available on-line on the Polish Zebrafish Society website.

If you want to take part in the conference without abstract submission, please send your application to e-mail: ptz.student.conference@gmail.com

Organising Committee:

Dr Katerina Makarova (Medical University of Warsaw)

Dr hab. Krzysztof Rakus (Jagiellonian University in Krakow)

AWARD FOR THE BEST PRESENTATION

Student with the best presentation will be awarded a fellowship to attend and to present a poster during the 12th European Zebrafish Meeting, which will take place in Krakow (July 9-13, 2023).
